# JetFlash™ 130

Flash Products

## More options to define your mood

**T**ranscend JetFlash™ 130 gives you more than great performance with high-speed data transfer rates. The JetFlash™ 130 comes with two extra caps that will allow you to accessorize your favorite portable storage device and carry your important data in a colorful yet stylish USB Flash Drive. The JetFlash™ 130 is available in 512MB, 1GB, 2GB, and 4GB capacities that are differentiated by a colored band on its thin body: orange (512MB), blue (1GB), red (2GB), and green (4GB).

### Why Transcend

- USB 2.0 high-speed data transfer rate:  
Read at 12MB/sec (max.); write at 8MB/sec (max.)
- Easy plug and play installation
- Driverless (only Windows 98SE needs the enclosed driver)
- Powered via the USB port. No external power or battery needed.
- Security function: password protection provided
- Boot-up function: makes the JetFlash™ 130 a bootable device
- LED indicates the usage status of the JetFlash™ 130
- Choice of caps
