Exceeding Your Expectations

JetFlash™ 210

Fingerprint USB Flash Drive

You are the Password

Transcend JetFlash™ 210 fingerprint USB flash drive puts all your passwords on the tip of your finger. You don't need a good memory to use good memory from Transcend. Swipe your finger to protect the secure partition on your flash drive or log on to websites. Protect your private e-documents with the fingerprints of up to ten trusted members. Alternatively, use the public drive to share data such as music and video clips.

Biometric technology means data access is as personalized as you are unique. And securing your data is easy because you are the password.

Features

- **File Protection** : Protect files stored on your computer using fingerprint security
- **Website Auto-Login**: Automatically login to websites where you are a registered user
- **Repartition Tool**: Adjust the size of the private and public partitions for storing data
- USB 2.0 high-speed data transfer rates
- Advanced Fingerprint Recognition Technology
- Easy plug and play installation
- 2-years warranty

Fingerprint USB Flash Drive

JetFlash™ 210

Memory Capacity	2GB, 1GB
Dimensions (LxWxH)	70mm x 23mm x 11mm
Weight	13g
PC Interface	USB 2.0
Speed	Read 9MB/Sec, Write 8MB/Sec
Data Retention	Up to 10 years
Erase Cycle	>100,000 times
Certifications	CE, FCC, BSMI
Warranty Period	2 years

Features

- Advanced Fingerprint Recognition Technology
- Protect Files: Protect files stored on your computer using fingerprint security
- Website Auto-Login: Automatically login to websites where you are a registered user
- Repartition Tool: Adjust the size of the private and public partitions for storing data

Caratteristiche

- Avanzata tecnologia di identificazione basata sulle impronte digitali
- Protezione File: Protegge i file memorizzati sul computer grazie al riconoscimento dell'impronta digitale
- Nessuna necessità di utilizzare driver
- Auto-Login Website: Accesso automatico ai siti di cui siete utenti abituali

Свойства

- Усовершенствованная технология распознавания отпечатков пальцев
- **Защита файлов:** Защищает файлы, хранящиеся на Вашем компьютере при помощи системы, использующей отпечатки пальцев.
- **Автоматический вход на сайты:** Автоматический вход на те сайты, где Вы являетесь зарегистрированным пользователем

特色

- 先進的指紋辨識系統採用
- 檔案保護: 指紋照合によりコンピュータに保存されているファイルを保護
- パーティション調整機能: プライベートおよびパブリックディスクのサイズを調整可能
- ウェブサイト自動ログイン: ユーザー登録をしているウェブサイトに自動ログインが可能

Eigenschaften

- Daten-Verschlüsselung: schützen Sie auf Ihrem Computer gespeicherte Dateien mit Ihrem Fingerabdruck vor fremdem Zugriff
- Sicherheits-Funktion: partitionieren Sie Ihren JetFlash™ in einen freien und einen biometrisch gesicherten Bereich, um Daten vor unbefugtem Zugriff zu schützen
- Automatisches Website-Login: nutzen Sie die Fingerabdruck-Erkennung, um sich automatisch mit Ihren registrierten Nutzerdaten auf Websites einzuloggen

Características

- Avanzada Tecnología de Reconocimiento de Huellas Digitales
- Protege sus Archivos: Protege los archivos guardados en su computadora utilizando seguridad de huella digital.
- Herramienta de Repartición: Ajusta el tamaño de las particiones Privadas y Públicas en las cuales se almacenan datos
- Conexión Automática a Páginas Web: Le conecta automáticamente a páginas web en las cuales usted es un usuario registrado.

特色

- 先進的指紋辨識技術。
- 檔案保護: 使用指紋辨識技術來保護電腦內的資料檔案。
- 網頁自動登錄: 自動將帳號及密碼輸入您已註冊的網頁。
- 磁碟分割工具: 自行分配公開區與加密區之磁碟大小進行磁碟分割

제품특징

- 진보한 지문인식 기술
- 파일 보호: 지문인식을 통해 중요한 파일을 컴퓨터에 저장하고 보호합니다.
- 파티션 툴: 개인과 공유 파티션 지역에 자료저장 사이즈를 조정합니다.
- 웹 사이트 자동-로그인: 이미 등록한 웹 사이트에서 자동 로그인.

Caractéristiques

- Technologie avancée d'identification d'Empreinte Digitale
- Protection des fichiers: Protégez les dossiers stockés sur votre ordinateur en utilisant le système de sécurité par reconnaissance de l'empreinte digitale
- Outil de Répartition: Ajuster la taille des sections privées et publiques pour la sauvegarde de données.
